**Bio**

At the forefront of the Nu Breed of German TechTrance Masters, DJ Tom lives to rock dance-floors worldwide and on almost every continent. A consummate showman, Tom's totally entertaining "on stage" & "in-booth" antics set him well apart from the shoegazers & trainspotters. As a total professional this never however prevents him from seamless mixes & an uncanny ability to keep an eye on crowd reading & mood-shifting. From the dark, hard & underground to the progressive, accessible & uplifting Tom can flick thru 23 gear changes to maintain a room at the optimum level for the occasion whether that be rockin major German Raves, Gatecrasher or Slinky events thru to fussy intimate 600 person club situations.

Tom's abilities speak for themselves with the large majority of his shows

resulting in return bookings & together with his impressive production history is generating a growing fanbase in those territories & cities across 30 nations and counting.

He owns since 1997 the Dance Label & Media agency Beatz Only.  
In 2004 TOM started to work for germany's biggest young radio station bigFM based in Stuttgart.

DJ TOM held a monthly residency at North America's biggest Night Club "Webster Hall" NYC for 2 years together with stars like Taucher / Talla / Ayla from 2000- 2002

TOM is also host of the radio show Beatz Only – Global Klubbing starting to broadcast in August 2006.
